

SKIDATA Inc. Approved Ticket Suppliers

SKIDATA and ZipPark Systems

SKIDATA and ZipPark have partnered together to produce an integrated Valet and Parking Access Control System application. We have worked together with the printer manufacturers used in this integrated system to engineer optimal ticket stocks that work seamlessly in both the ZipPark and SKIDATA mechanisms. SKIDATA, Inc. is the sole supplier for these ZipPark/SKIDATA tickets.

SKIDATA, Inc. Ticket Suppliers

SKIDATA Inc. has integrated a Ticket Manufacturer Acceptance Program for the APT 450 and Coder Unlimited systems. In order to become an Approved Supplier, SKIDATA has received sample tickets from the manufacturer and has performed tests to determine acceptable functionality in the APT 450 and Coder Unlimited systems. The Ticket Suppliers' contact information is listed at the end of this document. Approved Manufacturers are:
